

To Beloved Guruji

Dear Father, Sole Creator

Please accept my humble offering – Rekha Aunty

Preface

Guruji enters in your life when the time is right and when you need him the most. It's rightly said that you don't choose your Guru. Guru selects you as his disciple/devotee. Since childhood I had been visiting to and listening to a lot of holy men and women, but never felt connected. My mother always said you will meet your guru or rather the guru will find you at the right point of time in the life.

Guruji is Maha Shiv. God who came on Earth to see how human beings are living in the world he created. Guruji came to take our sorrows, pains, miseries, sickness and bad deeds. Guruji always first gives health then wealth, happiness, peace and prosperity. He takes 90% of our bad karma and leaves 10% so that we can remember God and do good deeds to overcome bad Karma.

About Guruji

Guruji is the "light divine" that came on earth to bless and enlighten humanity. On 7th July 1954, the sun rose in Dugri village at Malerkotla, Punjab (India), to herald the birth of Guruji. Guruji spent the early stages of his life around Dugri, went to school and college and graduated with a Master's degree each in economics and political science.

Guruji never delivered any sermons or prescribed any rituals, yet his message was received by the devotee in ways known only to the devotee. This "connection" with him was not only elevating and energizing to the devotees but also a deeply transforming one for them. Guruji's form exuded a divine fragrance, similar to roses. Even today, his fragrance is felt as proof of his presence by his devotees.

Guruji took *mahasamadhi*² on 31st May 2007. His emphasis was that the devotee always gets connected "directly" with him; and more so, through the medium of prayers and meditation. Guruji has a temple, popularly known as Bade Mandir located at Bhatti mines in South Delhi. Today, when Guruji is no more in his mortal guise, his blessings are working the same wonders, with his grace falling equally on those who never met him in their lifetime.

¹*Satsang*: the company of the "highest truth", the company of a Guru; an assembly of persons who listen to, talk about, and assimilate the truth

²*Mahasamadhi*: the act of consciously and intentionally leaving one's body at the time of death.

Guruji ko kije vandana

Man se Baram Bar

Jab bhi Vipda Aa Ghire

Mera Guru he Tadan har.

Thus, goes the lines of a famous bhajan. But my beloved 'Guruji' does not let the 'Vipada' to touch me. He is always walking as a shield in front of me on this life's path, clearing all the obstacles. Guruji is mere Ang Sang and Guruji is God, My Genie and My Love for life. What else do you call the one who protects, nurtures and nourishes. Guruji is my way of life.

Guruji "apka hukum sar akhone par". Please bless me and help me creating my 1st Satsang book. Guruji your blessings have given me the courage and inspiration to write this book.

Guruji and My Journey – Sept 15th 2019

Now when I think in hindsight, I may have been connected with Guruji for many births. But in this life, I was first introduced to Guruji by my friend Yamini Pandit. I visited NY Vaishnav temple with my 7 yrs. old daughter. I reached late by 30 minutes but to my utter surprise I had a welcoming parking spot waiting just for me in the Temple parking lot. I did not know then, that the shower of blessings had already started. I sat and listened to the shabads completely mesmerized and totally oblivious to the fact that the tears of ecstasy were flowing from my eyes. On seeing this my daughter asked me ‘Mom why are you crying?’ I told her I am not crying out of any sadness but these tear drops are just coming out on their own. I felt so divine and elated. I could smell the intense aroma of Rose fragrance but I thought that it could be because of my proximity to the Roses around Guruji. I could feel the instant connection with Guruji and I was completely surrendered to Him. It felt as if my search for My Guru has culminated. I have met my Guru and a feeling of love and peace engulfed me.

When Jal Prasad and Chai Prasad was served, I naively refused it with a curt ‘No’ and all the Sangat eyes rolled at me instantaneously. I had no idea what I did wrong. The Aunty sitting behind me said please do not say ‘No’ to Jal and Chai prasad as these are Guruji’s blessings. I had Jal Prasad, Chai Prasad and Khand Prasad. I felt good and blissful. I felt as if a positive energy had engulfed me. The feeling cannot be explained in words. During Langar prasad Milk cake was served. I said in my mind Guruji I am diabetic and you are serving Mithai to me. Right at that moment the sevadaar came and told me *“Yaha kahoge to Dawai, aur Ghar le jaoge, to Mithai”*. *If you eat here it is medicine if you take home it will be a sweet.* I was surprised as I did not ask anything how did he read my mind. Guruji was listening to me and answering my thoughts.

On returning home I told my Uncle (Husband) and my 10-year-old son that I don’t know what was in that Guruji’s Satsang I visited today but I am feeling so Happy, peaceful and being Loved. I am feeling very blissful.

Guruji blessed me with Health – Sep 16th, 2019

Next Day as I woke up, I noticed my frozen shoulder was cured, Heel spur on my foot and hair line fracture on left thumb was all gone. I had the energy of a 20 yrs. old. I felt as if I received a new life as I had no pain on my shoulders or other ailments. Just a sense of general well-being and happiness. Sheer Bliss. The Love for Guruji grew and I was craving for him and I felt intensely drawn to him. I had no picture (Swaroop) and craved to see him more.

Guruji blessed me with a Job

I had lost my comfortable Job on Aug 2nd 2019 after working in a Fortune 500 company for 20 years. I met Guruji on Sep 15th 2019. Guruji started conversing with me in Punjabi. Guruji said to me in Punjabi “Tenu Oct 6th to pehle pehle job mil jaugi”. (You will get job before Oct 6th 2019). I told my uncle (husband) that I am not applying for any job as Guruji has told me that I will get a job before Oct 6th. He thought I am being crazy for not applying for job. I told him; I would get a call from the companies I had already applied to. The Next I know; I got a call from a recruiter about a job. The recruiter had on her own updated my resume and presented it to the client. I received a call for an interview. The next day I dropped my kids at the bus stop and comfortably went back to sleep. In my sleep I heard Guruji saying “*Sara Kaam menu karna padega ki thoda padlegi*”. (Am I supposed to do all the work are you going to prepare for interview?) I immediately got up and started preparing for the interview.

My interview went well. Next week while I was picking up my kids at the bus stop, I told Guruji, ‘I did not hear from the Recruiter’. The next moment I got a call from the Recruiter that the client had liked me and would conduct a second interview next week.

I thanked Guruji and asked why are they having so many interviews if they liked me so much. Next day I got a call from the Recruiter that there is no 2nd interview and I’m already selected and the job is work from home. I could not believe all this happened before Oct 6th and so fast.

Guruji kept talking to me he said you will get a check in 2 days. I told my uncle that we would get a check in 2 days. He said how is that possible. After 2 days I got a check in the mail unexpectedly.

Guruji said when you come to satsang ‘Saji Dhaji aana’ come dressed up so I was confused as to why Guruji said this to me or is this in my mind. But the same night I heard a satsang from devotee in India that when Guruji was in Chola he used to say I am not “Raste Ka fakir jab bhi aao sajhe dhaje aao”. I used to get the answers to all my questions the very same night in satsang when Guruji was talking to me.

Guruji blessed me with Amritvela

Guruji started waking me up at Amritvela time between 3am – 5am. I had no idea what I was supposed to do. But I sat down and meditated, then I got Mantra Jaap that I started listening to. Guruji had so many unique ways of waking me up.

Guruji’s Hukum (teachings)

Guruji’s Hukum was to clean the kitchen every night to clean the utensils, clean gas stove and coking area and to sweep the floor every night.

Mere Guruji

Every morning I started lighting the lamp in front of Guruji and offering tea and snacks to him. If I overslept on the weekends, Guruji would wake me up. Till date Guruji's Hukum is followed.

Guruji taught me how to make Masala tea, Khand Prasad and to live my life without doing any ABC (accuse, blame and curse/chugli). Guruji always asked me to do good deeds and stay humble. He always warns me if I have any ego in my voice. Guruji is always giving me guidance on how to lead my life as Guruji's pyari (daughter).

Guruji's Blessing - Day before my new job – Oct 21st, 2019

I had to pick up my laptop from Cherry hills NJ. My uncle (husband) decided to go one day earlier and stay in a hotel to avoid Monday morning traffic. We attended Satsang at Somerset Mandir NJ. I was sitting under Guruji's Swaroop. I was showered with fragrance and I felt as if I was in a Rose garden and I was bathed in that fragrance for 2 hrs. I kept checking all around to spot someone spraying perfume on people, like it used to happen in weddings in India.

Later my uncle told me that he could smell fragrance as well; when he turned towards me but nothing on the other side. That was Guruji's blessing to me before joining the new job.

My husband had booked us in Hyatt. As we checked in, I said "Jai Guruji" in my mind. The next minute receptionist informed us that, we had been upgraded to a two-bedroom suite from our regular room, without even asking for it. Guruji's Meher at every step !! Guruji's blessings are countless.

Guruji Blessing and giving dream to my Son. – Nov 23rd, 2019

My uncle was leaving for India on Nov 23rd 2019 a day before we went shopping to buy clothes for his friend's grandson. While shopping I was looking at a cute dress and was thinking little kids are so cute. While driving back home I was thinking my son used to play soccer and how he had left soccer after 5 yrs. of playing.

Next morning during 4am Amritvela when I was brushing my teeth Guruji said I am blessing you with a child. I started saying Guruji please do not bless me with child as I already have a 10-year-old boy and a 7-year-old daughter. I am already 40+ I do not want any child at this age. At 9:30 am my Son woke up and came down from bedroom very happy and excited. He said Mom I had a beautiful dream that you delivered a baby boy and he is so energetic he loves to play Soccer and I took him to school with me. I said Guruji please "Yeh aap kya kaar rahe ho". What are you planning Guruji? please do not bless me with a child at this age.

"Guruji ki koi bhi blessings ko question na karho jo woh dekh sakhte hai hum nahin" – Never question Guruji's blessing as he can see our future.

One week later I came to know what Guruji meant. He blessed my Son with a new life.

Guruji Blessed my Son with new life - Nov 30th 2019

My uncle was in India, I took my kids for the movie Frozen 2. Due to thanksgiving weekend the mall was very crowded. I could not get parking so I parked far off and we had to cross the road where there was no traffic light. After movie while returning to the parking lot I was holding my daughter's hand and she was holding her brother's hand. My Son did not listen to me and as he started running, he pulled my daughter too. A speeding car approached us; I instantly pulled my daughter's hand scared as to what will happen next. Miraculously my Son was saved and no harm touched him. The Lady on the driving seat stopped the car and started looking behind to see if any other car approaching. We crossed the road very scared realizing that my son was blessed with a new life.

Shukrana Guruji for saving my Son and giving him a new life. This was the time I could reflect when Guruji said I bless you with a child. Now I realized I should never question Guruji.

Guruji – “Je Tu na faad da mera haath, asi rul ja na si”. Guruji – if you had not held my hand I would have been stranded.

Guruji saved me from Car accident - Dec 12th 2019

My uncle was still in India. I went to drop my son for early classes in the school. It had snowed the previous night and the roads were very icy. On my way back, suddenly my car skidded by 90 degree. Cars behind me and in front kept distance. I got very scared as I had never experienced this before. When I reached home, I parked my car, engaged the hand brake and locked the door. Strangely the next moment I saw my car rolling down. I was scared that It will hit our neighbor's car. Guruji blessed again. The Car stopped on its own.

Guruji blessed my Uncle - Dec 16th 2019

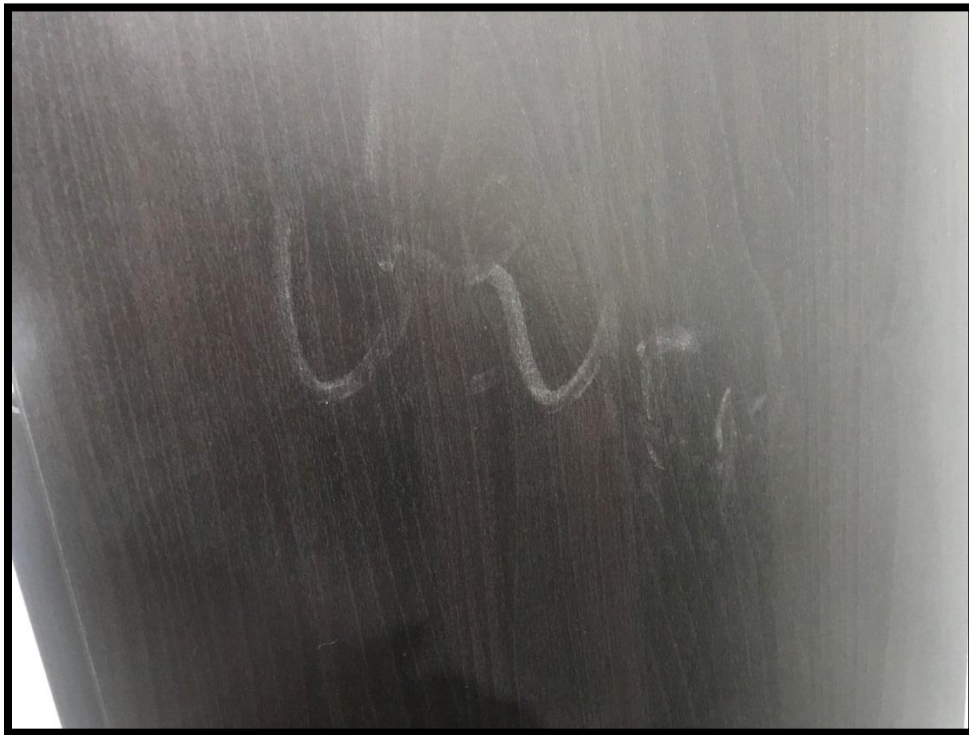

My uncle was supposed to board a flight from India to NYC; I spoke to him that morning and he said I might not be able to fly as I had got Diarrhea and I was in bathroom the whole night. I told him to mix Sai baba's vibhooti that he had with him with water and drink it to stop Diarrhea. And in the meantime, I would talk to Guruji's Swaroop; I said Guruji give me my uncle's problem as I am home, he has to take the flight. Next moment I started feeling pain in my stomach and felt acidity. Also, I started smelling bad. I called my uncle. He said he had taken the vibhooti was feeling well and he did not have go to bathroom again. He affirmed that he will be able to board the flight now. I said Shukrana Guruji, but how would my uncle know that you are the one who blessed him. He believes only in Shirdi Saibaba

Mere Guruji

Sangatji always pray to Guruji to solve your loved ones' problems rather than requesting him to bring it on yourself as sometimes the problems are Guruji's way of taking away other person's bad karmas.

Guruji shows Vibhooti on Guruji's Swaroop and Guru written with Vibhooti on Mandir. - Dec 20th 2019

I kept thinking my uncle (husband) has not developed faith in Guruji. Before going to sleep I went to Guruji's Swaroop and noticed vibhooti on Guruji's two swaroop's and Guruji had written 'Guru' on stand where we have Guruji's Swaroop. Guruji wanted to tell me that Him and Saibaba are the same. (Picture enclosed)

Guruji saved me from fire - Dec 26, 2020

My Daughter was down with flu, she was lying on Sofa, I was in kitchen making tea. I was leaning over the Gas stove to keep the tea container. My woolen shirt caught fire on the sleeve and the stomach. I could see big flames around my right hand and stomach. With my left hand I started extinguishing the fire. In my mind I said Guruji if I get into the Hospital for burns who will take care of my children. By Guruji's grace I had no burns and also did not feel the heat of the fire. To my surprise not a single thread of my dress was burned. I could smell the burning clothes but no sign of burnt thread or wound. I still wear that shirt.

Mere Guruji

Guruji's Meher that I did not even feel the heat of the fire.

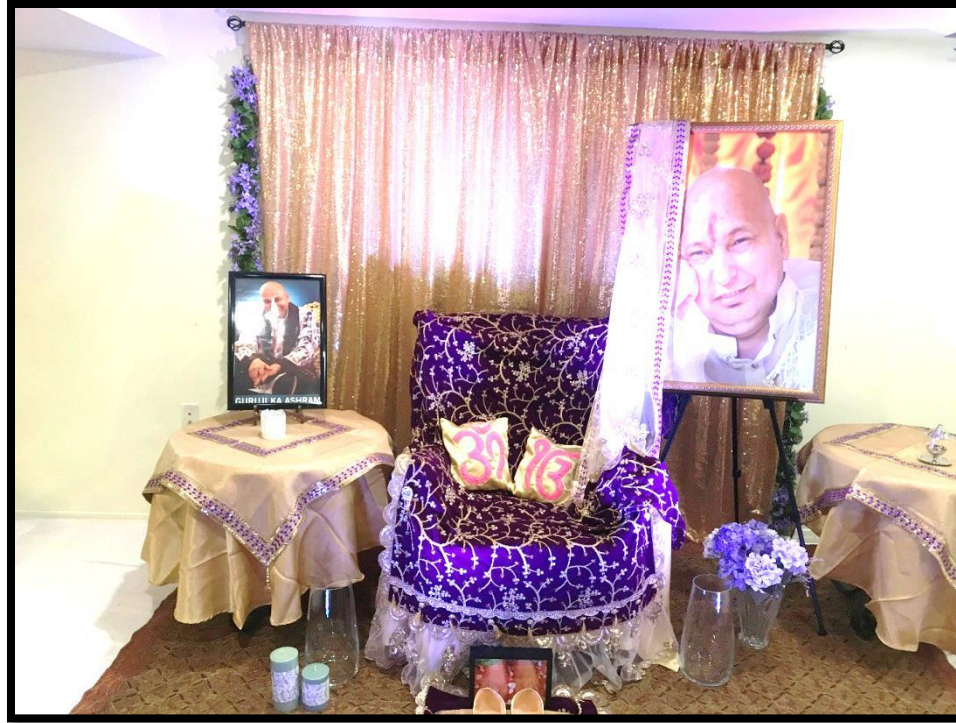

Guruji's Satsang is a Satsang in itself

When my uncle (husband) was going to India. I said Guruji I want two cholas for Satsang. I told my uncle (husband) to get it from India when he was in Delhi. He expressed his inability as he didn't have any contacts there and very little time in Delhi. Guruji kept giving me the name 'Sonia' and I was not sure who this Sonia was. I knew a Satsang devotee here. I spoke to her and she spoke to her sister Meenu Aunty in Delhi to arrange.

Meanwhile my uncle (husband) was in Karnal and he spoke to his friend. This friend spoke to his distant cousin who was a sevadaar in Bade Mandir. Her name was Sonia Aunty and in one day she got everything stitched from a Muslim Tailor who had never stitched anything like this before. In Just one night everything was arranged for the Darbar. To my surprise I also received 32 inches Guruji's Swaroop, Jal Prasad from Bade Mandir, Light of Divinity and bracelets. I could not wait to see Guruji's Swaroop as I had one special Swaroop in my mind that I wanted to see and to my utter surprise it was the same Swaroop I received. Guruji listens to you at all times and answer your wishes without even asking.

Shukrana Guruji for Introducing me to Sonia Aunty (NYC and Delhi) and Meenu Aunty from Delhi. Guruji's sevadar and sangat are living Guruji's principles and I truly appreciate their seva.

Only thing we can do is surrender to Guruji and have faith and patience. He has a bigger plan for us. With the Darbar ready, I was still contemplating on the date for the Satsang, unable to decide. My daughter announced this date to me, February 1st on her 8th Birthday, she wanted to celebrate her Birthday with Guruji and that was her birthday wish.

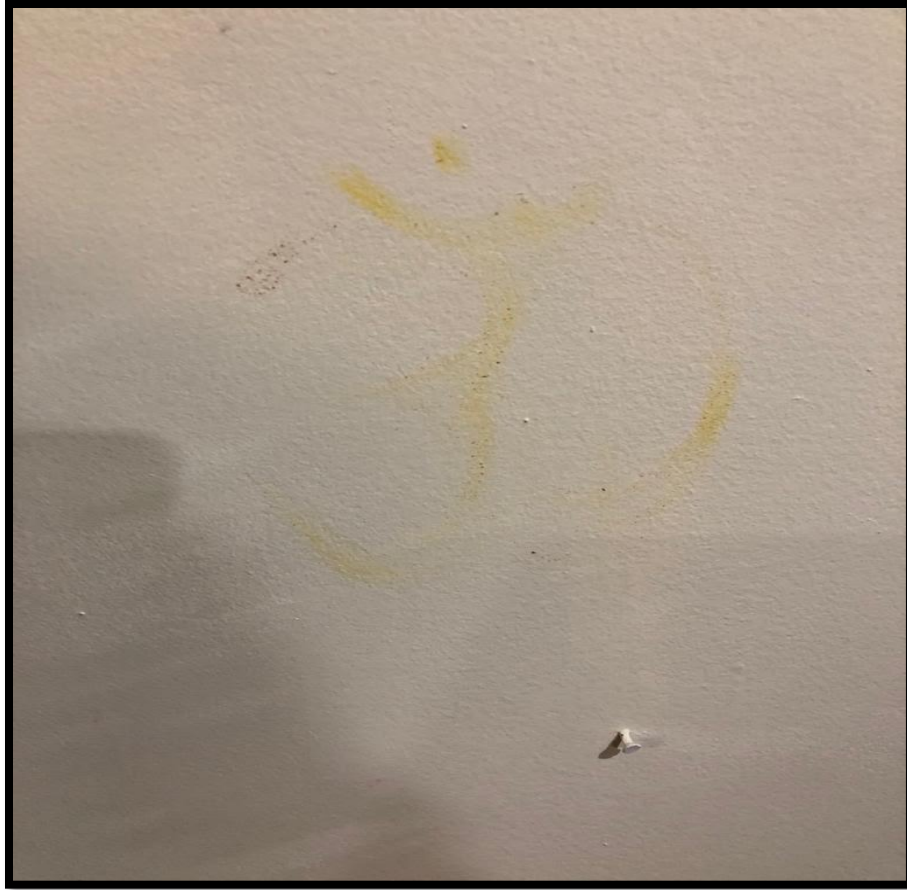

Guruji's special blessing on my daughter's birthday. – Feb 1st 2020

We had decorated the Darbar in the basement. Guruji wanted us to have a permanent Darbar at home. so, we removed the toys, cleared the play area, colored the walls, got carpeting done and did some upgrades. I was very excited as Maha shiv was coming for satsang with all his sangat. We could smell fragrance before the satsang and it was a divine experience. Everybody in the sangat could feel the divinity. I felt as if we had physical and non-physical sangat that night as Guruji always comes with his sangat that you don't see with your eyes. After the sangat left, two sevadaar's and I were cleaning the kitchen. I told my daughter to go downstairs and stay with Guruji. My daughter took some leaves and started fanning Guruji. She saw a bright 'OM' on the wall. She came upstairs to tell us. We all rushed down and we noticed OM on wall as well.

Guruji – Always Anantam Shurana for your blessings in many ways. Please shower your love and blessings on all of us Sangat who are surrendered and ones who are not surrendered. Please bless human race, Birds, Animals, Every species on earth. Please also bless the Planets, Sun, Moon and stars the entire Galaxy.

Guruji's blessings are countless and every day is a satsang. With Guruji's hukum I will write my next blessing book.

“So Satguru Pyara Mere Naal Hai”

(Guruji is with me always).

Shukrana Guruji for all your Meher and please keep us all in your lotus feet.

Shukrana Guruji for granting me this opportunity to share my satsang.

Thanks to my brother Shekhar and Nidhi Aunty for help extended in editing this book.

Thanks, Guruji for giving us beautiful Guru Parivar; who is always there for you.

Guruji – If I did/said anything wrong. Please forgive me.

Love You Guruji

Your Loving Daughter – Rekha Aunty (New York).
